Studio Information + Environment

Little Witch Tattoo now operates as a private, licensed home studio space designed to offer a quieter, more comfortable, and more personalized tattoo experience compared to a traditional walk-in street shop environment.

The studio is fully licensed, health board approved, and operated to professional studio sanitation standards using single-use disposable equipment, medical-grade disinfectants, barrier protection, and proper sterilization procedures.

This is not my first studio environment. Over the years, I have previously operated: a large-scale 11 artist street shop, a smaller 4 artist studio, and a private studio setting prior to the current location.

Additionally, as a working parent, there may occasionally be brief moments where I may need to step away momentarily to assist with something related to childcare or home life. While interruptions are typically minimal, I believe in being transparent so clients fully understand the nature of the private studio environment before booking. My priority is always maintaining a professional, safe, welcoming, and respectful atmosphere while balancing both artistry and family life in a way that reflects the values of the studio.

If you have any questions or concerns regarding the studio environment, privacy, accessibility, or accommodations, please feel free to ask prior to booking.

Policies

Notice Period

- Clients must provide a minimum of **72 hours' notice** to cancel or reschedule an appointment.
- This ensures that the artist has enough time to adjust their schedule and potentially fill the vacancy with another client.

Deposits

- All appointments require a deposit to secure your booking.
- Deposits are **non-refundable** and **non-transferable** under any circumstances.
- If you provide the required notice (72 hours or more), your deposit will be carried over to your rescheduled appointment.
- If notice is not provided within 72 hours, the deposit will be **forfeited**.

No-Show Policy

- If a client does not show up for their appointment without prior notice (15 minute late grace without notice, 30 mins with notice), their deposit will be forfeited, and a new deposit will be required to book another session.
- While we are in the process of implementing a reminder system for sessions, it is ultimately the client's responsibility to ensure their appointment is properly scheduled in their calendar. This applies to all appointments made in person, over the phone, or digitally.

*Please note that **no-shows** may also be subject to a **no-show fee** in addition to the forfeiture of the deposit. We kindly ask that you double-check your appointment details to avoid any scheduling conflicts. Thank you for your understanding and cooperation. Let us know if you have any questions or concerns!

Last-Minute Changes

- Rescheduling requests made within less than 72 hours of the appointment will be considered a **late reschedule**.
- In the case of a late reschedule, the deposit will be forfeited, and a new deposit will be required to secure a new date.

Emergency Considerations

- While the policy is firm, we understand that emergencies can happen. In such cases, please contact the studio as soon as possible to discuss your situation. Accommodations may be made at the discretion of the artist.

Studio and Artist Time

- Our cancellation and rescheduling policies are in place to ensure fairness and respect for the time and effort of our artists. When a client cancels late or doesn't show up for their appointment, it not only results in lost income but also wastes valuable preparation time. Artists spend significant time planning and designing custom tattoos, organizing their schedules, and setting up for each session.
- A missed appointment impacts the artist's ability to book another client in that reserved time slot and may disrupt the overall studio schedule. This is why we emphasize the importance of providing adequate notice if you need to reschedule or cancel. Your cooperation helps us maintain an efficient workflow, provide a better experience for all clients, and support our artists in continuing to create high-quality work.
- We appreciate your understanding and consideration in valuing the time and dedication of our team. If you have any questions about these policies, feel free to reach out to us directly.

At Little Witch Tattoo Studio, we understand that unexpected events may require you to change your appointment. However, we have policies in place to ensure fairness to both our artists and clients, as each booking reserves valuable studio time.
